

CANADIAN MEDICAL ASSISTANCE TEAMS

Help support CMAT's relief efforts in the Philippines!

The assessment team is preparing to leave for the Philippines this week. The team will conduct a needs assessment on the island of Leyte, and environs, to ascertain the level of devastation, destroyed infrastructure, and health needs of cyclone-affected persons, in order to prepare for the deployment of CMAT's field hospital and medical personnel.

You can help CMAT assist those impacted by the typhoon in the Philippines by visiting our website and making a donation.
